Description

1. After the stream, enter the path on the left. Follow it until you reach the D621. Turn left for 100 meters to go back up the track towards Viviers, before turning right towards Verdalle.

2. At the end of the road, turn left onto a track then onto the tarmac. Cross two streams and continue to pass close to several farms. Leave the Boyer direction on the left and continue right into the forest on the tarmac road.

3. Arriving at the Sabartarié farm, which you go around to turn left onto a path, 400 meters further on. At the junction 300 meters further on, turn right onto a path lined with oaks. At the next fork, turn left (tarmac).

4. Arriving at the Saint-Affrique road, turn right, then at the next crossroads turn left to cross the hamlet "Bessou del prat". After the hamlet, turn right then left, and reach the hamlet "les Bessous".

5. Then take the D621 on the right for a few meters before taking the Chemin des Fontaines on the left. At the cross, turn left, cross the hamlet of "Bels" and go up to the farm.

6. Turn left at the farm to take a gravel track. Leave the track, after 400 meters, to take the path between the trees on the right. At the next junction, turn left, and follow the path shared with the GR.

7. Turn left at the tarmac road, then left again between two houses to join the grassy path. Follow the path, then turn right when you find the tarmac road again. Return to Viviers at the starting point.
