Description

1. Take the path to the forge with your back to the cemetery and the church. Cross the D45 to take the green path that leads to the castle of Aguts.
2. At the end of the path, turn right to join the road then left at the crossroads to cross the hamlet of "la Salle" by a dead end that becomes a path. You pass next to the calvary, if you wish to visit it, follow the signs on the right and return to the route by a small path behind the upper chapel.
3. When the path meets the D45, turn left to follow the road for a few meters before taking the path on the right that leads to the castle of Montgey.
4. Cross the village of Montgey then start your return to Aguts by the road of "la Serre", on the right at the junction. Follow this path for about 2 km.
5. When you reach the crossroads, turn right on the road towards Aguts. Continue 250m on this path before taking the grassy path on the left just after the grove. Continue 1km on this path.
6. At the end of the path, turn right onto the D92 to reach the village of Aguts and the pick-up point
