Departure : Domaine Duffau, Gaillac

Arrival : Same place as the start

Markings : — PR

Cities : 1. Gaillac

Starting from Domaine Duffau, on the heights of Gaillac, the walk follows numerous wooded paths on easily accessible hills. This is also an opportunity to discover rural heritage closely linked to the history of the Gaillac vineyards: chapel, cemetery, dovecotes, vineyard huts, or farms. Each of these buildings preserves the history of the men and women who shaped this territory.

Take advantage of this loop to pause for a tasting at the Domaine Duffau cellar.

Upon continuing, you will also find Château Balsamine or Domaine Michel Issaly along the route.
