## Altimetric Profile

Min elevation 124 m Max elevation 282 m

## Description

- 1 From the Monument Square, next to the town hall, walk straight towards the 13th-century Place à Couvert. After the square, turn left onto the street and continue straight ahead.
- 2 Descend to the right on the gravel path towards the river. Cross the footbridge and follow the dirt path.
- 3 At the intersection with the road, turn right towards the roundabout and then continue towards Saint Martin. Walk for 350 meters and turn left.
- 4 At this fork, continue straight on the road. At the junction with the D 11, continue straight.
- 5 At this intersection, turn left onto the "Sentier des Crêtes, vineyard shortcut." After 20 meters, take the right onto the stony path. After 350 meters, cross the road and continue downhill between woods and meadows on this wide path for 2 kilometers until you reach LD Namans.
- 6 At the crossroads, turn left onto the road which becomes a grassy path. Continue straight from En Ségur to La Borie Blanche.
- 7 At this intersection, turn left and walk for 450 meters to reach the road, then turn right to descend back to the village.
