Description

Starting from the village hall of Penne, you climb via the Bayès path to the Pas de la Lignée, following the GR de Pays Cordes-Penne-Coustous, while enjoying beautiful views of the village, its fortress, and the valley. You then descend to the hamlet of St. Paul de Mamiac and Penne through the hills of the Causse. To finish, you cross the small Cap stream via an ancient little bridge that takes you back to the village.
