Altimetric Profile

Min elevation 352 m Max elevation 427 m

Description

Starting from the Parking du Coustou in Roussayrolles, you descend towards the Pas de la Clède via the Tauron washhouse path and gravel paths towards the place known as "Fourcou." You then climb up a rocky track that will require some effort and rejoin the GR de Pays trail, which returns towards the village. You complete the loop at the "Foun Naouto" crossroad and head back to the Coustou.
