Altimetric Profile

Min elevation 133 m Max elevation 208 m

Description

Starting from the village of Milhars, in front of the Town Hall, cross the departmental road and follow the Cérou River to the La Garenne mill. Next, climb along the Bonnan stream in the valley of the same name.

Follow the path to the right, and after passing the Bonnan waterfall (on your right), return along the other side of the loop, which is drier and sunnier. Finally, retrace your steps along the Cérou River, passing under the castle, back to the village and the Town Hall.
