Description

1. From the Monument Square, next to the town hall, walk straight towards the 13th-century Place à Couverts. After the square, turn left onto the street and continue straight.

2. Descend to the right on the gravel path towards the river. Cross the footbridge and follow the dirt path.

3. At the intersection with the road, turn right towards the roundabout and continue in the direction of Saint-Martin. Walk 350 meters and turn left.

4. At the fork, continue straight on the road. At the intersection with the D11, go straight up.

5. At the next intersection, continue straight to stay on the Crêtes Trail (left is "Sentier des Crêtes, raccourci des vignes").

6. At the crossroads, take the grassy path. Pass through the field (beware of beehives!) and go straight up through the woods.

7. Turn left and head up towards Grèzes on the grassy path.

8. At the intersection with the road, turn left and walk 250 meters, then turn left onto the path (with a beautiful view of the Dadou Valley). Continue through the Grèze Plain and cross the Carrelié woods to Namans. Continue straight from En Ségur to Borie Blanche.

9. At this intersection, turn left and walk 450 meters to reach the road, then turn right to descend back to the village.
