Altimetric Profile

Min elevation 133 m Max elevation 460 m

Description

Arriving from Roussayrolles through the Grézelles forest to Pech de Marnaves, follow the path of St. Jean and continue right to descend via the GR de Pays Cordes-Penne. Cross the village to the right and descend towards the Départementale Road, then turn onto the small path leading to the parking area with a water point and picnic tables.

Return via the Lissart road and ascend the trails to the water pumping station before making switchbacks that lead you to the communal road.

Once you've crossed the road, continue back to St. Jean via the paths and then proceed towards Milhars (see description of Trail No. 25).
