**Departure** : Cave Vinalie de Rabastens

**Arrival** : Same place as departure

**Markings** : — PR

**Cities** : 1. Rabastens

From the Vinalie cooperative cellar, you start off quietly on a flat path through a district of Rabastens. Then, as you make your way through the countryside, you take to the heights, following the path that runs alongside the vines. You'll be able to admire vestiges of the past (the typical Gaillac dovecote and the Trémège well) and the magnificent view of the Salvagnac hills before returning to Rabastens. An easy walk through the heart of the region.

At the end of the walk, don't hesitate to push open the door of the cellar to taste some red or white wines.
