Altimetric Profile

Min elevation 133 m Max elevation 223 m

Description

- 1 From the parking lot in front of the Las Peyras School Complex in Rabastens, go right on the path that runs along houses and then fields (common route with the Amédée the winemaker's trail). Continue straight on the flat path. Cross the road and keep going in the same direction on the grassy path.
- 2 To access the Church of Saint-Martin de Mours: 600m round trip from Point 3.
- 3 In front of a large brick house, turn left. Pass by a private dovecote and then a small private pond. Continue straight up the path along fields (view of the Church of Saint-Martin de Mours on the right).
- 4 At the top of the path, turn left. At the intersection with a gravel path, in Perelles, turn left. Reach a road; turn left and then, in front of a calvary, turn right onto a dirt path.
- 5 At the next fork, go left (another common section with the Amédée the winemaker's trail).
- 6 Leave the path on the right (view of the Tarn Valley) and continue straight on the grassy path.
- 7 After a bend and a house (viewing table), keep descending on the path (do not take the stairs of the Amédée the winemaker's trail). Leave a path on the right and continue straight. Upon reaching the road (place called les Bordes), turn left and return to the starting point.
