Between Sor and Agout

You may be lucky enough to spot a deer or a hare running across the plain at dawn. The path will lead you to the Antoinette bridge or Lovers' bridge, elegant and romantic, with a single arch from 1884, which provides a haven of freshness during the summer. On your way back, don't forget to stop at the pastry shop to buy a "Poumpet", a village specialty. The perfect dessert that is popular for family celebrations.
